

MELBOURNE OFFICE ON THE MOVE!

After four years of sharing elevators with a ridiculous amount of International students, Ivan and Melissa are **THRILLED** to announce they're leaving 422 Little Collins Street!

Our new address from June 1st is

**Suite 27, Level 2
204-218 Dryburgh Street
North Melbourne
Ph: 03 9329 3939 Fax: 03 9329 3940**

How do you find us?

It's about 700m from North Melbourne Train Station

It's a short tram trip on Tram 57 from the city, get off at the Queensberry/Abbotsford Street stop (no 14) and walk up Queensberry Street a little further to Dryburgh Street and turn right - we're about half way down.

Want to drive instead?

No problem, there's 2 hour parking on the street right in front of the building!

It's a secure building so you'll need to ring the buzzer at the front door so we can come down and let you in but unlike 422 Little Collins there'll be no battle to get in the elevator!

We look forward to seeing you soon.
